June 30, 2015

## BLAU VW Phaeton W12 Transmission Fluid (ATF) Filter Change Kit Now Available!

**Subject:** VW Phaeton Transmission Fluid (ATF) and Filter Change Kit

**Application:** See Below

**Part Number:** F2A1005-C

**Release Date:** 6/30/2015

Blauparts would like to announce our NEW Volkswagen Phaeton Transmission Fluid (ATF) and Filter Change Kit equipped with the W12 engine and 5-Speed Tiptronic Automatic Transmission.

Changing your VW Phaeton transmission fluid and filter is one simple step in helping extend the life of your transmission. We have assembled all the necessary parts you will need to allow for an easy solution to a VW Phaeton transmission fluid and filter service. Our kits include the transmission filter, transmission pan gasket, fill and drain plug sealing o-rings, extra hardware, the appropriate fully synthetic transmission fluid specification G 052 162 A2 for the VW Phaeton W12 automatic transmissions, ATF pump dispenser, and detailed how to installation instructions.

**BLAU VW Phaeton Transmission Fluid (ATF) and Filter Change Kit Applications:**

**2004-2006 VW Phaeton - 4WD w/ 6.0L 12 Cylinder 48 Valve Engine (W12)**

We hope our transmission fluid and filter change kits will allow for an easier service of your VW transmission. We wish to thank all our customers for their continued support! Feel free to contact us with any questions on our transmission fluid and filter change kits.
