

For Sale: 2007 Volkswagen Jetta GLI Fahrenheit Edition

July 14, 2015

(SOLD) Limited Production Rare 2007 Jetta GLI Fahrenheit Edition For Sale with Very Low Miles in Great Condition from Blauparts (#715 of 1,200)

Description:

Gorgeous condition, very low miles, clean title, 100 percent unmodified Volkswagen Jetta GLI Special Fahrenheit edition. This rare, hard to find Fahrenheit Edition is one of only 1,200 made. Exceptionally clean with full power options, heated anthracite leather seats, leather wrapped sport multifunction steering wheel, handbrake, and shift knob with contrast yellow stitching, paddle shift, glass power moon roof, genuine VW rubber floor mats, and factory 18 inch alloy wheels.

EPA mpg estimates of 25 city, and 32 highway, however we've reported highway mileage ranging into the upper 30s. With only 1 owner besides us, the interior and exterior are in excellent condition. There are no paint scratches on the exterior body and no door dings. No interior scratches, including every door handle, and the shift lever panel. The leather seats also show little to no wear, even on driver seat! This car also has a set of BLAU Shocks and Struts installed on the vehicle, designed to give the GLI an increased sport feel over the factory suspension. Hurry, this is your opportunity to own a very rare low mileage Jetta GLI!
