Blauparts' and our partner Ocap of Italy are pleased to make available our VW Passat Lower Control Arm Kit for 2003-2005 models. We package all the control arms and suspension parts together in a convenient kit with everything you need to replace your squeaking or noisy front VW control arms. We specifically specific assemble a driver and passenger side control arm kit. This allows customers the ability to replace control arms on each side of the vehicle as the control arms wear.

VW Passat Control Arm Kits Includes:

Qty - 1 Lower Forward Position Control Arm

Qty - 1 Lower Rearmost Position Control Arm

Qty - 1 Required Hardware For Ease Of Installation and Anti-seize

Blauparts remains committed to our vision of supplying the highest quality products to our customers and the best customer service. Please feel free to contact us with any more questions or information on our VW Passat control arm kits.
