Blauparts is pleased to announce our oil change kit for the Mercedes-Benz GLK250 BlueTEC diesel engine.

Keep your Mercedes-Benz GLK250 oil change maintenance and service up to date with our German oil change kits. Our Mercedes-Benz diesel oil change kits feature premium German Ravenol oils and O.E.M Mahle Original oil filters. Ravenol oils are crafted in Germany and feature their legendary CleanSynto Technology. Ravenol CleanSynto Technology has proven to clean and keep internal engine components cleaner, maximize engine durability, reduce maintenance costs, improve fuel mileage, and reduce engine emissions. Ravenol oils also feature formal factory approvals. Mahle is an Official O.E. oil filter manufacturer and has been supplying oil filters to the German automakers for years. Since the late 1920s Mahle has set the standard in filtration as Germanys premier automotive filter manufacturer. Mahle's continuous engineering and innovation is driven by performance. Mahle oil filters use the latest generation in oil filter designs and state-of-the-art oil filter materials.

We feel our Mercedes-Benz GLK250 oil change kits for the OM651 diesel are an excellent reflection of our company values and of the quality Mercedes-Benz automobiles should be serviced with. Please feel free to contact us with any questions you may have on our oil change kits or check out our website. We wish to thank our customers for their continued support! For over 25 years Blauparts vision has been to provide the highest quality products along with the best customer service!
