Blauparts is pleased to offer the Mahle Original VW Passat oil filters for the 3.6L engine! Mahle is an Official O.E. air filter manufacturer and has been supplying oil filters to the German automakers for years. Since the late 1920's Mahle has set the standard in filtration as Germany's premier automotive filter manufacturer. Mahle's continuous engineering and innovation is driven by performance. Mahle Volkswagen oil filters use the latest generation in oil filter designs and state-of-the-art oil filter material.

Your Volkswagen Passat oil filter is the key to your engines performance, cleanliness, and longevity. The oil filter cleans the engine oil of dirt, dust, soot, metal particles, and contaminants allowing for clean engine oil circulation. Use only the best oil filters that are designed for the factory oil change intervals.

For over 27 years Blauparts vision has been to provide our customers with the highest quality products along with the best customer service! We feel our Volkswagen Passat oil filter options are an excellent reflection of our company values and of the quality your Volkswagen should be serviced with. Please feel free to contact us with any questions you may have on our oil filters or feel free to visit our website. We wish to thank our customers for their continued support!
